

MEMO

NEW JERSEY STATE DEPARTMENT OF ENVIRONMENTAL PROTECTION

TO Spill File

FROM Karl Delaney DATE September 21, 1982

SUBJECT 82-9-10-6 Oil on Arthur Hill.

169773

9/20/82 -

The writer telephones USCG/COTPNY P.O. ORITZ and speaks with the Duty Officer. The duty officer states that USCG responded with a Safety Team on 9/10/82 and found only a dissipating sheen.

No source was determined and it is believed to have been an accidental bilge discharge.

No Action at this time.
